NAVENWRHLTHCEN INSTRUCTION 5 100.12A

Subj: TRAFFIC SAFETY PROGRAM

Ref: (a) OPNAVINST 5 100.12F
(b) COMNAVREG MIDLANT/SOPA (ADMIN) HRINST 5400.1, Subgroup 5 101

1. Pm-nose. To establish and provide policy and guidance for implementing the Navy Environmental Health Center Traffic Safety Program.
2. Cancellation. NAVENVIRHLTHCENINST 5 100.12
3. Scope. This instruction applies to all NAVENVIRHLTHCEN employees, military and civilian, who operate motor vehicles as part of their official 'duties, or operate motor vehicles on government installations.
4. Background. Reference (a) is the Navy's comprehensive issuance of a Traffic Safety Program, and commands are required to comply with its provisions. Reference (b) is the local commander's Occupational Safety and Health Policy Manual, which includes guidelines for traffic safety.
5. Policy. The NAVENVIRHLTHCEN fully supports the Navy's Traffic Safety Program. As such, all employees must become familiar with and follow the provisions of reference (a) and (b). References (a) and (b) are posted on the Safety Bulletin Board.
